

Sometimes, the most evil things come from the most holy.... Conflicted with his faith in God and the hypocrisy of the church, Aidan Schaeffer, a young assistant pastor, is in a constant state of spiritual turmoil. When Aidan learns that his ex-fiancee is the first victim in a string of ritualistic killings, he finds himself in the middle of an even deeper fight. Tormented by demonic threats and haunted by spirits, Aidan throws himself into investigating Amandas death; all the while supernatural forces have begun to attack the people around him. The more questions he asks, the more he is drawn into the world of a mysterious Anglican priest, a paranormal investigation group and a rogue female detective investigating the murders. As the gruesome rituals escalate, ancient hidden secrets and an evil long buried threaten to rip Aidans world apart.
