

The best firearms home log you can have because you can hide it in plain sight. With an innocent (and boring) looking title on the cover you can list over 600 firearms in this book to track your purchases. This book is not to be confused with the Curio & Relics FFL 03 bound book. This book is for logging in all your firearms in your collection. The purpose of the boring cover is for you to hide the book in plain sight on your desk, in a bookshelf - anywhere. It should be kept separate from your gun collection in case somebody breaks in and steals your firearms. You will have a separate record for the police, insurance company or whatever you need it for. Column headings include Manufacturer/Importer, Model, Serial Number, Type/Action, Caliber/Gauge, Date Acquired, Cost and Purchase location (address). Part of all proceeds go to Rett Syndrome research. A girl is born every 15 minutes with Rett Syndrome. Boys die at birth. Rett is part of the autistic spectrum. Be safe, legal and prepared with the Greenblatt Personal Firearms Record book.
