

“Irresistibly sunny”! Set in the brightly lit Mediterranean amid old olive trees and sexual intrigue, music and wine and beautiful women... Propulsive. “The New York Times Book Review” “The perfect book for pretending its already beach season.” “O, The Oprah Magazine” A romantic page-turner propelled by the sixty-year secret that has shaped two families, four lovers, and one seaside resort community. Set against dramatic Mediterranean Sea views and lush olive groves, The Rocks opens with a confrontation and a secret: What was the mysterious, catastrophic event that drove two honeymooners apart so suddenly and absolutely in 1948 that they never spoke again despite living on the same island for sixty more years? And how did their history shape the Romeo and Juliet “like romance of their (unrelated) children decades later? Centered around a popular seaside resort club and its community, The Rocks is a double love story that begins with a mystery, then moves backward in time, era by era, to unravel what really happened decades earlier. Peter Nichols writes with a pervading, soulful wisdom and self-knowing humor, and captures perfectly this world of glamorous, complicated, misbehaving types with all their sophisticated flaws and genuine longing. The result is a bittersweet, intelligent, and romantic novel about how powerful the perceived truth can be “as a bond, and as a barrier” even if it “doesn’t really tell the whole story; and how one misunderstanding can echo irreparably through decades. From the Hardcover edition.

Macbeth / The Tragedy of Macbeth: Deutsch Englisch (Bilingual Edition) (German Edition), Bhaja Govindam, Jerusalem (Great Cities), Foghorn Outdoors Florida Camping: The Complete Guide to More Than 900 Tent and RV Campgrounds, The Redemption of Rico D'Angelo (Harlequin Romance), Play My Heart - Part 1, Dirty Mind (No Boundaries Book 2), Famous Gold Nuggets of the World,

Peter Nichols's second novel, “The Rocks,” seems on the face of things to be an irresistibly sunny beach book. Most of it is set in the brightly lit.

The Rocks. A Novel. A Novel. A Novel. By Peter Nichols “The perfect book for pretending it's already beach season.” “O, The Oprah Magazine” A romantic. Nichols' novel opens in with a chance meeting between Lulu Davenport and Gerald Rutledge on a cliff-top road near The Rocks, Lulu's.

There's a passage in The Rocks (\*\*\* out of four), Peter Nichols' amiably erudite, ingeniously structured yet finally underachieving new novel.

The Rocks: Book summary and reviews of The Rocks by Peter Nichols. On the surface, Peter Nichols' new book is precisely the sort of novel Elegant Lulu has spent decades as proprietor of The Rocks “short for.
